ONLINE COURSES

Introduction to Political Thinking , Cornell University	2026
➤ Enrolled and completed the Summer Course “Introduction to Political Thinking” – understanding of arguments made by Western theorists; Hobbes, Locke, Plato, and Marx. ➤ Explored key political ideas of freedom, justice, equality.	
Introduction to Legal Thinking , Global Online Academy	2025
➤ This course provided a case-based introduction to law, allowing us to analyse real legal cases while developing research, persuasive writing, and public speaking skills through discussions. ➤ Legal briefs, client advising, and trial statements, helped us explore concepts such as justice, fairness, jurisprudence, and ethics while gaining insight into understanding the legal profession.	
Genocide & Human Rights , Global Online Academy	2024
➤ This course explored the causes and consequences of major 20th century genocides, including the Holocaust, Armenian, Cambodian, and Rwandan genocides, examining the international response to these atrocities. ➤ Through discussions, papers, and documentaries, we analysed global human rights crises and explore how societies can promote justice and prevent future genocide.
